Qolcom

Qolcom is the leading integrator of secure wireless networking and managed mobility services for public sector. Based in Glasgow & Newbury, our solutions secure access to cloud and on-site services, provide authenticated remote working and collaboration, and deliver full mobility management for mobile device estates.

With emphasis on securing public sector data, Qolcom is showcasing Aruba's Clearpass policy management and Introspect behavioural analytics. Both enhance systems integrity and productivity by allowing users "anytime, anywhere" access, without sacrificing control.

Qolcom has delivered secure solutions and managed services to organisations including SRUC, Clackmannanshire Council, NHS Highlands, UHI and Aberdeen University, for more than a decade.
