## SCC

Great things happen when you work with SCC. It's a place where innovation is made greater by combining unique ideas, people and disciplines. We're a global company that is passionate about IT and how it can revolutionise the world we live in.

We simplify the complex.

We are SCC.

A diverse business with entrepreneurial spirit at its heart. Still privately-owned, we empower people to do business by unleashing the potential of IT. Our mission is to transform the way we live and work through cutting edge innovation.

We work in trusted partnership with long-standing customers and the world's best technology vendors, powering the future and leading from the front.

And we never stop; SCC continually raises the bar, simplifying the complex and delivering on our promises.

Operating out of 65+ locations in the UK, France, Romania, Spain and Vietnam, SCC delivers limitless IT solutions in partnership with the world's best technology vendors.

We provide multi-award-winning data centre modernisation services, networks and communications, workplace productivity, business process outsourcing, security and innovation solutions to customers in a broad range of public and private industry sectors. We're trusted to discover, design, supply, migrate, manage and optimise IT that supports European economies through enduring partnership, driven by curiosity and inspired by innovation.
