

Qolcom

Qolcom is a specialist systems integrator of Digital Workplace Solutions, Intelligent Network Infrastructure and Cyber Security.

Using market-leading products and early adoption of new technologies, we have met and exceeded our customers' expectations for more than a decade. Our approach is supported by the highest quality of service and a policy of continual service improvement.

UK-based with global reach, Qolcom enables your digital ambitions, exploiting emergent technologies, raising productivity, improving user experience and securing your organisation against digital attack.
