Seric

Seric, a Trusted Partner of SBRC, have security baked into our DNA, whether we are designing complete IT platforms, refreshing existing infrastructure or embedding frameworks, we ensure that all aspects are secure, compliant and fit for purpose. The Seric DNA is a combination of a strong moral compass, focus on the desired client outcome, and security 'built-in'. We push ourselves on every engagement, on every decision, to ensure that security, resiliency, effectiveness and 'doing the right thing' brings the desired outcome to the benefit of our clients.
